

Columbia County Fire Chiefs' Association  
Directors Meeting June 15, 2021 19:05

Gregg Gilliland conducted an informal meeting at the training facility.

No minutes were read, just a review of possible topics for discussion.

Treasurer's Report: A copy of the report is attached to these minutes.

No Coordinator's Report was presented.

Topics of discussion were as follows:

Insurance on the trailers, Christine will enquire with McNeil about notice concerning Pollution Coverage in relationship to the use of foam. We do not use foam, can this be eliminated to reduce the cost or is it just part of regular coverage?

She did not receive the quote of the cost.

Are we moving the smokehouse to the fairgrounds? If so we need to renew the registration and up-grade the insurance. Plus it needs work.

Gregg stated he checked with Berkshire Bank about the closure of the accounts and yes they are in fact closed. Reports are only generated quarterly.

It was mentioned that the bylaws need upgrading and the secretary is willing to help.

The next general meeting will be at the Lebanon Fire station July 20, 2021.

It was decided to hold future directors' meetings at the facility each month. 19:48

Secretary,  
Irene Huston
