Chiefs,

2018 is quickly passing by and before you know it we will be staffing the Columbia County Emergency Services Booth at the Columbia County Fair. But we can only make this happen with support from your organizations and your membership who may be willing to come and work the booth during the Fair. We are all very busy these days and time is a precious commodity none of us have enough of. But if we can get enough people to help donate a little bit of time, none of us will need to spend all our free time keeping the booth staffed this year.

Please look at the included form for the days that the Fair is open and see if you or any of your membership would be interested in assisting us to keep the booth staffed this year. With your assistance we can provide someone in the booth to talk to Fair patrons and assist with bike raffle tickets. We can provide fire prevention education in the Fire Safety trailer. And we can entertain the kids with having someone dressed up as Sparky. For those willing to assist, have them put their name and time they can work under the appropriate day. Then return the form to us by one of the ways provided on the back of this page. I have also included the daily hours of operation for your reference.

Along with staffing assistance, we are also looking for one or two pieces of apparatus to be back in our booth area. If you would like to put a piece on display, once again let us know by adding it to the form for the date and time it will be on site.

Thank you for taking time to read this letter and we hope you or some of your membership will be available to assist us in keeping this booth open and staffed for another year.

Sincerely,

The Fair Committee

## **Fair Hours of Operation**

Wednesday NOON to 11pm

Thursday-Monday 10am-11pm

## **Submission Information**

All completed forms are to be mailed back to the following address:

Columbia County Fire Chief's Association
